COAST GUARD CAREER CENTRAL WEB SITE

A new Web site will make it easier to find all the career and professional development information you need. *Coast Guard Career Central: A Directory of Information on Your Coast Guard Career* was launched on 19 April by the Leadership and Professional Development Division (G-WTL-2). Categories include:

Workforce-specific Information (Enlisted, Civilian, Officer, Reserve, Auxiliary)

Evaluation Systems

Training

Education

Professional Development

Leadership Information

Career Opportunities

Resources

Organizations & Associations

Other Career Guides

This site was created to centralize all the career information that's already on the Web and make it easier for you to find what you are looking for.

We need to pass the word to all new and current employees about this site. It should be included in all welcome-aboard packages and civilian orientation materials. Command Staff Advisors, Career

Development Advisors, Educational Services Officers, Command Master Chiefs, Training Officers, and Transition Relocation Managers should use the site as a reference and pass it on to their customers. Also, supervisors and mentors should use it with their personnel/mentees.

Visit the site often -- add it to your "favorites" -- and make the most of your benefits and opportunities for training, education, and leadership and professional development.

There are two ways to get to the site: <http://www.uscg.mil/hq/g-w/g-wt/g-wtl/career/> is the main address. A shorter address is <http://www.uscg.mil/leadership.htm> (click on "Career Central").

The site will continue to grow and improve -- please send suggested links to be added or improvement suggestions to Lynne Donahue (<mailto:LDonahue@comdt.uscg.mil>), G-WTL-2, 202-267-2381.

Regards, FL Ames
